MOTION PICTURE ARTS, ANIMATION + VFX + VR + MOTION CAPTURE

WWW.CAPILANOU.CA/SMPA

BC's film, television, animation, and visual effects industries are on a 15 year growth curve fueled by content demand and new streaming services. Although not immune to Covid-19, creative professionals are rapidly adapting. The animation and visual effects workforce, for example, has shifted to remote work. Digital and post-production are full steam ahead and other sectors are working on safety standards for a socially distanced return to work.

12:30-1:15PM

Motion Picture Arts

DESIGN AND INTERACTIVE

[CAPILANO.CA/IDEA](https://capilano.ca/idea)

Graduates are highly sought-after in the industry and can be found in many top studios and agencies, both in Vancouver and around the world. Others form start-up companies or enjoy their own freelance practices.

3:15-4:00PM

Bachelor of Design in Visual Communication

Do you want to become a part of a new generation of creative professionals?

In this session you will learn from industry professionals—alumni and faculty. You will explore learning opportunities in our career-oriented Bachelor of Design in Visual Communication—a program with concentrations in branding, illustration and interactive design.

Capilano University's IDEA School of Design has always had a strong connection with the creative industry in Vancouver. In 2018 we deepened our involvement through the launch of our fourth-year practicums. The final course in our four-year degree program is an eight-week full-time placement in a local company.
